The aim of the P&C is to help our school financially by way of fundraising throughout the year, with all money raised being directly injected back into the school. In 2013 we completed the closing in of the undercover area at the canteen. The kids had been exposed to the weather whilst at recess and lunch, now they have a protected area for these times. We also provided funds so the Kindy could purchase more indoor equipment for the classroom, with the number of children that are enrolling this was a priority. Other areas we help include providing financial assistance to the Chaplaincy program, and the Mathletics program.

The P&C is also responsible for the running of the School Canteen and Uniform Shop. Christine Lunt does an amazing job in the Canteen but still requires parent help every day. Our number of volunteers is very low, so if you could spare one day a term from 9am – 1.30pm or 2 hours from 9am – 11am please let Christine know – 98 611 348. The Uniform shop is coordinated by Martina Pascoe, she is ably assisted by Karen Thomson, Kirstine Hamersley, Chelsea Johnson. It is open every Friday from 8.30 to 10.30.

Shelley Hamersley and Nicole Kirk are co ordinating the AFL Footy Tipping again this year also. The cost is $50.00 to participate and be in with a chance of winning the major prize of $2000! If you would like to be involved please contact Shelley on 0407 478 756 to register your interest and receive your login and password.

With the support of the wonderful families, and the fantastic staff we have at WDHS, the committee is optimistic and excited about the future of our school.
