• Additional Comments;  
  > A review of the School Vision is going to be conducted.  
  > Cass and staff have also been looking into what can be done at lunch time due to the fact that the majority of incidents that occur with the students seem to be in the last 10 minutes of the lunch time. There is a suggestion that it therefore be reduced by 10 minutes, reducing the length of the school day resulting in a closing time of 3.10pm. More discussion on this will take place and notifications will be placed in the school newsletter.  
  > After a query from Anette regarding language classes, Cass has informed that it is due to budget constraints that these are not available and other avenues of learning languages are not user friendly and do not work in our school system. She suggested taking the matter up with Tuck Waldron, hopefully if enough people bring it to his attention something may be changed.

- P & C banner – Sonia Nalder suggested that the P&C have a banner made to be put up at any of their fundraising venues. All present thought it was a good idea. Melanie to get quotes from same place Cath Painter had hers done.
  Moved: Melanie English   Second: Cath Painter
- Footy Tipping – Shelley Hamersley no longer doing, Mandy is taking over. She will meet up with Shelley to learn the ropes. People need to start to promote around town again to get on board.
- Ball – too late for start of the year. Possible August Friday 14th. Decided the venue would be Eric Farrow Pavilion. Letter to be sent to the shire to book in the dates.
  Further organisation next meeting.
- Nicole Ward made comment about the swimming carnival saying it was well run for Pre-Primary – Year 3, but none of the activities counted towards faction points, wondering if there anything that could be done to change this so the younger children could get involved in the contributing to the overall points on the day. Cass will look into it.
- Presentation Day – It was mentioned that it was disappointing that many of the parents had left before the Year 10s had their final presentation. Wondered if it was better to move that part of the proceedings to earlier on. Cass to look into for this year’s presentation day.
- Parents mentioned that behaviour last week appeared below standard in the school. Cass agreed that last week being a long weekend and Woolorama behaviour was not normal. All incidents were dealt with and addressed last week. Mandy bought up an incident that she witnessed, the matter was resolved, general discussion on the behaviour strategy plan that is in place at the school.
