Wagin DHS Cluster
Playground Upgrade

- Mudkitchen Area #2
- Tunnel Mound Area #3
- Welcome Arbour
- Wobbly Bridge/Stilts #5
- Wooden Teepee
- Large Wooden Play Structure #6
- Sensory Garden #1: An area for Kindy. Incorporates plants, raised beds, sensory path and music station
- Dry Creek Bed and Sandpit Area #4: To incorporate a jetty going from the boat up and around the tree. This will be surrounded by a dry fixed rock creekbed. A water run will be supplied by a small tank that needs to be filled by a teacher.
- Wooden bench/table: Children choose between bench or table and stools
