

Wagin DHS Cluster Playground Upgrade

Mudkitchen Area #2

Tunnel Mound Area #3

Welcome Arbour

Children choose between bridge or stilts

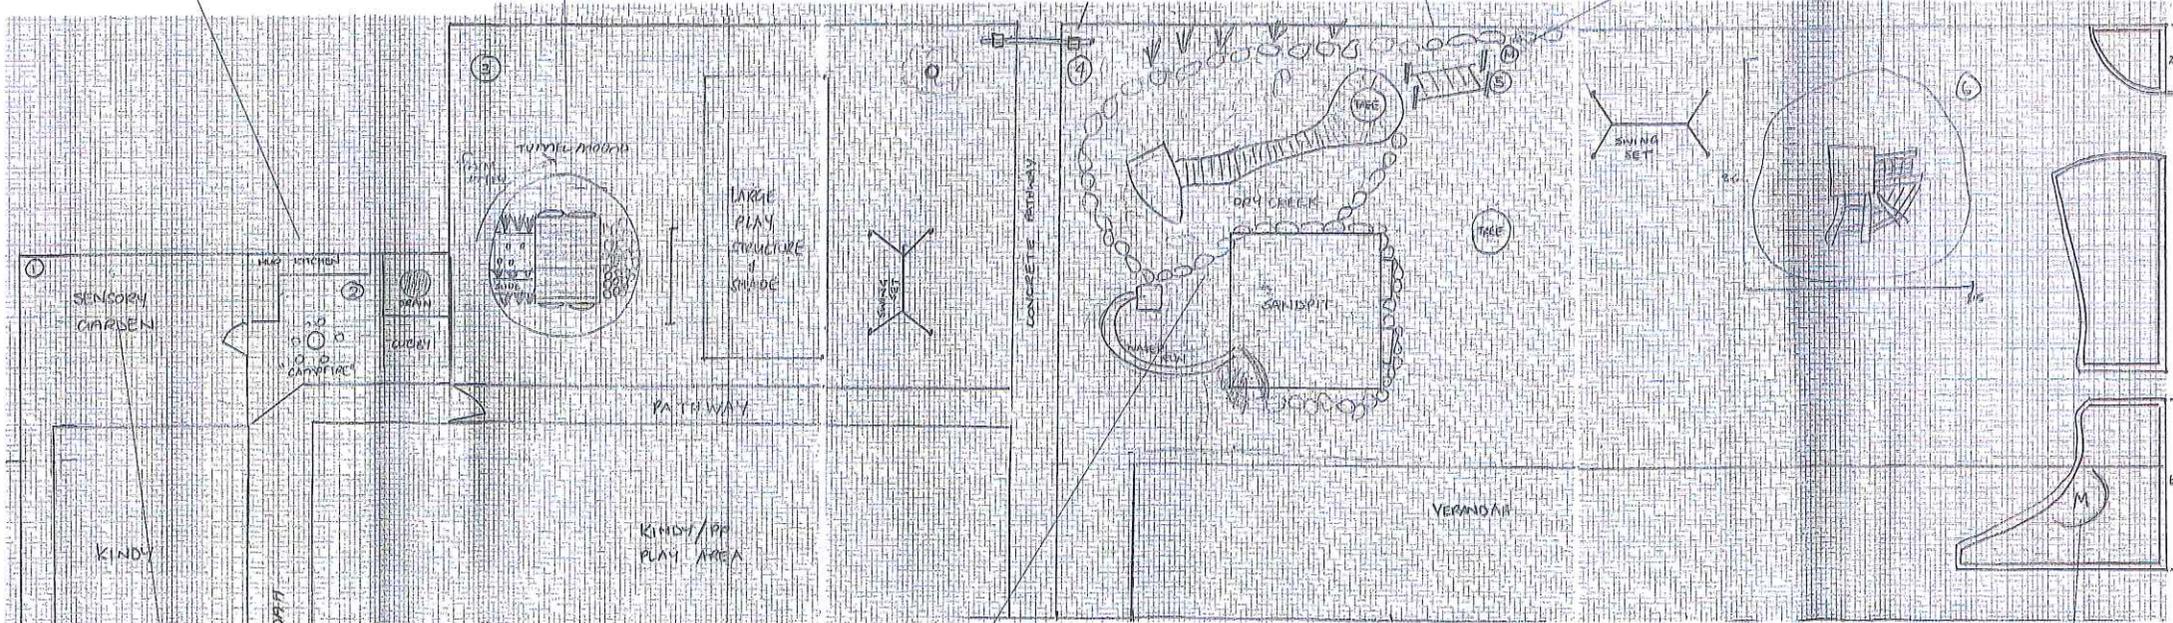

Wobbly Bridge/Stilts #5

Wooden Teepee

Large Wooden Play Structure #6

Sensory Garden #1

An area for Kindy. Incorporates plants, raised beds, sensory path and music station

Dry Creek Bed and Sandpit Area #4

To incorporate a jetty going from the boat up and around the tree. This will be surrounded by a dry fixed rock creekbed. A water run will be supplied by a small tank that needs to be filled by a teacher.

Wooden bench/table

Children choose between bench or table and stools
