Our wonderful TAG students have been very busy recently creating and delivering a lesson plan for Mrs Pangler’s Year 2 class. The lesson plan had a safety message focus and the team were able to share their knowledge of the animated movie making app, Scratch Junior.

The Year 2 class was split into groups and worked with TAG students who taught them how to use the app and allowed them to create a short animation. Groups were then asked to show their movie on the classroom whiteboard and explain to the rest of the class how it was created.

Since being introduced to the app last week, the Mrs Pangler’s students have become very proficient in it’s use and it seems that now they can’t get enough of Scratch Junior. Job well done everyone!
PRESENTATION DAY
Our Presentation Day will be held at the Town Hall on Tuesday December 13 from 9:30 a.m., we hope to finish around 12:00 p.m. We will have items from the following groups:
  Kindy, Kindy/Pre-Primary and Pre-Primary
  Year 1 and Year 2
  Year 2/3 and Year 3/4
  Year 4
  Year 5
  Year 6

We look forward to families renewed and continued support of our students and the celebrating of their achievements throughout the year.

WHOLE SCHOOL TRANSITION DAY
Following on from Presentation Day, after the students return to school, the Kindy to Year 9 students will participate in a transition program. The students will be placed in their 2017 classes and where possible will spend some time with their 2017 teacher. This worked very well last year and alleviated many of the concerns students and parents had about the new school year.

SEMESTER TWO REPORTS
Primary reports may be collected by parents from class teachers after school on Monday December 12.

Secondary reports may be collected by parents from form teachers in the library after school on Monday December 12.

2017
Many families are beginning to ask what our class structures will be in 2017 and who will be teaching what. This is being worked on ‘as we speak’. I can confirm the following:
  Mr vandenBerg will be on leave for 2017
  Mr Parker will be on leave for 2017
  Mr Malins has won a position at a Perth school
  Mrs Little, Ms Roche and Ms Bennison are staying with us for 2017
  Mrs Abbott and Ms Pense will return from leave in 2017

We will inform all families of which class your children will be in on Monday December 12. If you have a specific request or information you would like bought to my attention about your child’s placement next year, please refer to our Class Placement policy available on the website. The slight change to our policy is we will inform you of your child’s placement before the 2016 school year ends, not at the start of next year.

Please be aware that you may not receive a response to your request as currently staffing arrangements are still being finalised. Rest assured your request will be given consideration, within the constraints of our budget allocation.

BUSH FIRE PLAN
Wagin District High School is in a Bush Fire zone as determined by the Department of Fire and Emergency Services. As such we have a Bush Fire Plan and will work with local agencies in the event of a bush fire. We may be directed by our Regional office to close school, if this occurs we will do our very best to inform you as soon as we know. To ensure you remain up to date with information from school please ensure your contact details are current and also listen to local ABC radio stations as they also provide updates. Bus services are overseen by the Public Transport Authority; we will do our best to work with them to ensure all students are safe in the event of a bush fire, if your children travel to and from school on the bus please also ensure bus drivers/contractors have your current contact details.
BEHAVIOUR TIPS FROM JENNY MACKAY
You may have read in previous newsletters about our work with Jenny Mackay to continually improve our knowledge, skills and abilities to successfully manage student behaviour. During her last visit; during term three Jenny also presented a parent session. Below are some additional strategies to try when managing your children’s behaviour at home:

- UNDERSTAND their AGE/STAGE and related LIFE TASKS
- Establish simple GROUND RULES which guide & teach acceptable behaviour
- Always remember BEHAVIOUR IS A MESSAGE... conveying how a child/person is feeling and how they are coping with their world.
- TUNE into your CHILDREN – LISTEN!
- Teach them SELF CONTROL ... model behaviour ... enable self-discipline ......
- TEACH your children INTERACTIVE SKILLS ...... model manage & teach them ......
- Allow your children to OWN THEIR PROBLEMS & FIND their own SOLUTIONS

Further explanations of these can be found in the newsletter link on our website: http://www.wagindhswa.edu.au/

8. TEACH children RESPONSIBILITY… every action has a consequence
   - Teach them about cause and effect and to understand the ‘choosing’ idea i.e. that we continually make choices and choices result in consequences both positive and negative.
     e.g. Conversation at school between teacher & erring student:  I see you’ve chosen to stay after school and join the homework group. I didn’t! But as you chose not to have it in on time, then you have chosen the homework group. But! Well, if you had wanted, you would have made sure it was in on time ... right? However, I know you will have it in on time next week. See you at 3!

9. CATCH THEM “DOING IT RIGHT”
   - We tend to focus on children when they do wrong … change this in your home. Focus on what they can do … not what they don’t do.
     e.g. School report: catch yourself and rather say … You’ve improved here and there ... you must be pleased. Then LISTEN to them - you have opened the door to a conversation e.g. Yes, I am pleased, but I’m worried about ... I didn’t really work hard enough in ... I think I need help ... etc. They can amaze you!!

Year 4 PEAC Results for 2016

Statewide testing of Year 4 students for the identification to the Primary Extension and Challenge (PEAC) program in Years 5 and 6 was conducted during Term 3. PEAC offers a supplementary program for gifted and talented students and provides them with the opportunity to extend, challenge and develop their thinking skills.

Identification of these students has been conducted through testing in verbal and mathematical reasoning; marking; and scaling of each student’s results. 3.6% of all public school enrolments have been identified for PEAC.

The school has received the PEAC Scores for 2016. We are thrilled to announce that one of our students will be given the opportunity to nominate for participation in part-time PEAC program next year and that, 4 students who have been achieved results that identify them as talented and gifted students in either verbal or mathematical reasoning. Wagin DHS will run a TAGS program for all of these students, as well as some school selected students in 2017.

Hot weather

Can you please ensure that your child has a hat at school. Students are required to wear hats during recess and lunch breaks and during Physical Education classes. Wagin DHS has a no hat, no play policy. Students are required to play in the undercover area if they do not have a hat.

Students also need to be encouraged to drink plenty of water. It is a good idea to have a drink bottle at school if they don’t already have one here.

Swimming Lessons

Swimming lessons will take place during Weeks 8 and 9 beginning on the 28th November for students in PP, Year 1 and Year 7. Notes will be sent home today. Please return these as soon as possible. Swimming is a part of the school Physical Education program and it is expected that students will participate.

EMUS at WDHS

At Wagin DHS we use a positive behaviour matrix known as the EMUS – Engaged, Manners, Understanding and Strive. These positive behaviours are a guide for us to know how we can Aim High. Students receive EMUS cards when showing these behaviours and then put these cards in for the prize draw at Assemblies.

The EMUS card count at the last assembly in Week 5 of Term 4 was:

- Engaged 340
- Manners 255
- Understanding 164
- Strive 280

EMUS Focus

Every fortnight staff and students will pay extra attention to teaching and learning one of the EMUS. Don’t worry, that does not mean that the other three EMUS will not be recognised. We will still hand out EMUS cards for those behaviours. For weeks 5 and 6 of Term 4, we will focus on Understanding!

We can show our Understanding throughout “The Whole School”. So we:

- Communicate positively
- Except each other’s differences
- Care for other people and the environment

Which of these Understanding behaviours are also used at home?
One of the many highlights of a teacher’s life is receiving feedback and progress reports regarding past students that have gone on to achieve great things beyond Wagin DHS. One of these moments happened the other day, when I met with a parent and was given an update. I was thrilled to be advised that six previous Wagin DHS students had received recognition Awards at the Narrogin SHS Year 12 Presentation Night. Three of the former students transitioned to Narrogin at the end of Year 7, with the other three, graduating Year 10 at Wagin. It is always pleasing to know that these students have gained the foundations of their learning and knowledge at Wagin DHS and have gone forth and continued to engage with education in a pro-active manner. Congratulations to the following former Wagin DHS students for their achievements; Saige Edwards, Brittany Bolt, Lucilee Iles, Brady Jenkins, Glen Pugh & Nicholas Aylmore. We are very proud of your success.

With the end of 2016 rapidly approaching, our secondary students have been given a timely reminder of some of Wagin DHS’s expectations for behaviour and participation. An assembly was held for students on Monday afternoon in which the following points were reiterated to all secondary students:

Be **RESPECTFUL** to the environment, teachers, others and yourself.

Be **ON TIME** for class and make the most of the education being provided.

Speak **APPROPRIATELY**. Swearing is **NOT OK**.

It is **NOT OK** to be on, or using your mobile phone during class.

Attempt all work, give it your best. **REFUSING** to do class work is not option.

These points link strongly to our school EMUS and will continue to be a focus for the remainder of the year. As our Year 10’s prepare for their last year at Wagin, planning and preparation is underway for end of year celebrations, such as the Year 10 Dinner and the Year 10 Big Day Out. More details will follow once dates and costs have been confirmed.

For parents of Year 10 students, a reminder that Narrogin SHS will hold their Year 11 transition and orientation day on Friday 9th December 2016. Please contact Narrogin SHS to confirm details regarding the day.

Mock Accident - Wagin Secondary Students and Emergency Services

On the 3rd of November, the Years 7-10 students walked down to the Wagin Showgrounds to participate in a Mock Car Incident that involved a fake fatality and several serious injuries. The event was organised in conjunction between Wagin DHS, Wagin Shire, St Johns Ambulance, Wagin SES, Wagin Voluntary Fire Brigade and Wagin Police.

Four students, Rebecca, Tahnee-Lee, Lloyd and Sebastiano, were invited to be involved and help out as “first aid administrators”. Their role was to enter the scene and apply their first aid training that they have been learning during Health with Miss Bennison. The fake injuries that the people sustained during the mock incident consisted of spinal injuries, broken bones, de-gloving of the hand and a fatality. The first aid administrators held combine bandages down, held necks up and checked for response while Tahnee-Lee called the emergency services to the incident. The four first aiders then stayed to help and assist with the services. The emergency services responded to the incident as if it was a realistic scenario, which included using the „Jaws- of-life” to access the interior of the motor vehicle to free the trapped occupants. After the patients inside the vehicle were freed, we listened to Sergeant Williams from the Wagin Police who told us about what happens after the crash site has been cleared and the steps involved of what happens in Court. We also heard a story of a well-known local and ex Wagin student, Terry Anthony, who himself went through a car accident when he was 18. He told us that it doesn’t just effect yourself, it affects everyone around you, friends, family and strangers and it stays with you for life. We greatly appreciate Terry coming forward and being so honest in front of such a big group of people.

We would like to thank all emergency services who volunteered their time to help organise and set up this mock accident.

Thank you to Amanda Howell for coming in to teach us First Aid during our Health lessons, we appreciate it immensely.

Have you thought about quitting smoking?

If you are a smoker, one of the best things that you can do for yourself and your family is to quit. Quitting can be hard, but you don’t have to do it alone - there is support available in the Wheatbelt.

No matter how long you have smoked, quitting will have immediate and long term benefits on your health. It will also benefit the health of your family and friends and save you money!

Smokers in the Wheatbelt have access to a program which offers support and hope to those who want to quit.

The Wheatbelt Quit Smoking program offers:

- Individual or group support;
- Quit medication advice; and
- Motivational text or email messages.

The program is FREE and provides information and resources on issues such as nicotine addiction, managing withdrawal symptoms, weight control and coping with difficult situations without a cigarette.

Wheatbelt Quit Smoking Program facilitators work across the Wheatbelt providing FREE support. Contact 9622 4320 to get local support to help you quit.

Alternatively you can contact the state wide quit support service Quitline call 13 78 48.

Kindergarten Orientation 2016

When a child first goes to school, there is great change for that child and for his or her family. We believe that you, the child's parents/carers are the most important link in the educational chain and that together parents and teachers can make your child's experience at school an excellent and enjoyable one.

Wagin District High Kindergarten Orientation will operate in Term 4 every two weeks on a Tuesday. Our first session commences in Week 1, we look forward to seeing you all there!

What your child/ren will need to bring to each session: Hat; Water bottle; - A small healthy snack e.g. Cut fruit/vegetables etc
