On the 21st of February, Wagin District High School’s leadership group departed on a journey of a lifetime. Twenty of Wagin’s finest boarded the bus and headed towards their destination, the haunted Camp Quaranup, Albany. All was going well until Emilia and Becky bounced too high and popped the back tyre of the bus causing it to cruise out of control. Luckily we had a skilled bus driver Miss Rayner who manoeuvred the bus to safety. Mr Vandenberg was grateful that a skilled professional tyre changer stopped and provided guidance and knowledge in order to get us back on our way. We arrived at the beautiful Camp Quaranup and unpacked prior to our first lot of activities. We participated in a range of leadership and team bonding games. As we got ready for dinner we noticed the typical Albany weather begin to change. During dinner an amazing thunder and lightning storm erupted around us causing the power to go out. Little did we know this would continue until lunch time the following day. The night was long, stormy and dark - perfect for scaring little children!

Breakfast the next morning proved a challenge as there was no power to use the kettle, the toaster and hot water to have showers. After breakfast, Mr V organised more team games to strengthen our trust in one another, involving marbles and mousetraps. We achieved our team building games with great success and soon had to move on to geocaching with a lady named Kylie. We were all assigned groups of 2 or 3 and were given a GPS, compass and a clip board. In every hidden object there was one word, we had to write down all the words we found on our clip board. Once we were done we had to figure out the sentence which the words would form. When all the teams had finished finding all the words we all met up with a new instructor called Paul. Our task was to construct a raft only using the resources which Paul had provided us with. Our plan was to go out into the water to test out our rafts but unfortunately the wind, rain and rough water made it too dangerous to put our rafts in. Instead we ran around an obstacle course with our rafts until they fell apart. After the raft building we went along the jetty for a quick swim and jetty jumping. Thankfully the power had turned back on and we were able to have warm showers.

The next day we cooked our breakfast and then packed our bags ready to depart Camp Quaranup. Once Mr V’s ute was loaded, the disappointing weather kicked in again so our bags got wet. After we were packed and ready to go we gathered in the home room to discuss our future plans for the school and what our leadership group wants to achieve this year. Our meeting ended with many ideas in mind ready to discuss back at school. We piled onto the bus and headed for the Anzac Centre. We were kindly greeted by the staff at the centre and they explained how to gather the information about the soldiers we had been allocated. After some aesthetic photos outside the Anzac Centre we departed ready for our long trip home. As a surprise the teachers treated us to some McDonalds for lunch. After everyone had finished their meal we set off on our journey home. Thankfully no more mishaps occurred on the way home and we arrived in Wagin safely. Many were glad to be home as it had been a long couple of days. Everyone enjoyed their time in Albany and we would like to thank Mr V for organising such a well planned trip, Miss Rayner for being an amazing helper and bus driver, and Mrs Pilkington for coming along and helping out.

By Jayde and Tahnee

See photos over ………….
This fortnight has been a busy one in the high school. The student council attended the leadership camp in Albany. Thank you to Mr vandenBerg, Mrs Pilkington and Miss Rayner for taking the students on camp.

The faction swimming carnival was held last Friday with great success. Many thanks to Mrs Sercombe and her team of helpers for a wonderful day. Congratulations to Norring for the outright win.

This fortnight students have been busy preparing items for the Wagin Woolorama. Students will display items they have been working on for the Arts, Woodwork and Cooking sections. The secondary students have also been working on a whole school display. Student work will be displayed in the Eric Farrow Pavilion.

Next week sees selective year 10 students sit the Western Australian Certificate of Education Online Literacy and Numeracy Assessment. For more information contact the school or visit the following website: https://assess.scsa.wa.edu.au

We are almost half way through term one. If you have any concerns or questions about your child’s progress please contact the school to arrange a suitable meeting time to discuss such issues. Our teachers are dedicated to the focus of learning in the classroom. It is our objective that lessons provide variety, are engaging, have each individual student appropriately supported and challenged in their learning and finally, ensure students make excellent progress. Working together with the support of parents, teachers aim to empower the students to take responsibility for their learning with high expectations. Teachers will support students to strive to achieve their academic goals, to ensure they progress in developing key academic behaviours and are visible learners in our classrooms.

Often, parents have queries about classes, courses, homework, and how you can best support your child with their learning and, what to do if you are worried about their progress. We encourage you to be proactive in contacting your child’s classroom teacher should you have any questions or concerns. Seeking help early ensures teachers are aware of any small issue, and thus can discreetly provide the necessary support. The form teachers can also assist you in all of these areas or make connections within the school to help you find appropriate solutions for your child.

Our common goal to support each individual student to achieve their personal best at school is even more achievable when parents, teachers and students work collectively. Often, we need to reflect on and evaluate what we do as we strive to connect with each student in the classroom. Feedback is one of the best ways for a teacher to continually improve professionally, so I encourage you to let your child’s teacher know what is working in the classroom for your child. Please encourage your child to set specific, short term learning goals that are attainable, share them and seek feedback on their progress. Early successes help to form good study habits as students progresses through their Secondary School education.

We look forward to a year where effort influences achievement!

YOU MAY BE ELIGIBLE FOR
UP TO: $350
towards school expenses

DO YOU HOLD A: CENTRELINK FAMILY HEALTHCARE CARD; CENTRELINK PENSIONER CARD; VETERANS’ AFFAIRS PENSIONER CARD?

Applications Close Thursday 8th April 2016. More information is available from the front office.
From the Principal

SWIMMING CARNIVAL
Thank you to Mrs Sercombe and Mrs Gillespie for the effort and time you put into ensuring our Swimming Carnival ran smoothly. It was wonderful to see so many parents, grandparents and family members supporting our school and students. As with all of these events we could not run them without the support, time and commitment of parent and community volunteers - we are extremely grateful for any assistance provided on the day.
I would also like to make special mention of the time, support and resources the Wagin Swim Club provides to ensure our carnival is a professionally run, smooth event. We greatly appreciate the advice, time, effort and resources the swim club members offer.
A special congratulation to Deizel Barlow, Holly Elms and Bryn Hamersley for breaking previously held records.

WOOLORAMA
A reminder that Friday March 11th is a special public holiday for Wagin District High School. This is for 2016 only, as we have traded Easter Tuesday. This decision was approved by staff, school council and our Regional Executive Director in 2015.
This is a great opportunity for families to attend Woolorama to have a look at our amazing school display and watch our talented APEX students.

Also take note of how many of our students exhibit their work independently from school, many of our young people will be show casing their amazing talents.

LEADERS OF THE FUTURE
Building student leadership is an important element of what we do at school. Our student council group spend time planning and organising whole school events; they represent our school in the local and wider community and support their peers to aim high. Two years ago our student leaders received some positive feedback about their maturity, pride in our school and community and the confidence they display when discussing Wagin District High School with visitors to our school.
Our secondary student councillors conduct a parent tour for our incoming Kindy families at the end of each year, which is very well received by parents and is something we gain a lot of positive feedback about.
Recently on the Student Leadership Camp our students were buying their lunch in Albany, they were in school uniform so were easily recognisable to the public. We received a call in the front office the day after they returned from a member of the public letting us know how polite, well-mannered and caring our Wagin students are.
I was immensely proud of everyone involved when we received so much positive feedback two years ago and continue to be proud of how our staff and students work together to achieve our school vision of providing an empowering environment for life-long learning.
The feedback received recently and in the past, reflects what visitors to our school, or members of the public who interact with our students see, hear and feel when they do so. The opportunities we provide students at Wagin District High School not only enhance our school it will benefit society as these are the leaders of the future.
Some of the comments made in the past are included below:
‘I was most impressed by the young people who led our tour of Wagin District High School. I was a little uncertain as to why so many rural families send their children away to boarding school in Perth at such a young age when the local schools seem very good.’

‘I left thinking about how proud I would be to send my children to a school like Wagin District High School - the student councillors were amazing.’

Continued over………..
‘This was one of my personal highlights of the trip! Thank you to everyone at Wagin District High School for the time you spent with us. Your students are a credit to everyone in the Community and every student spoke so proudly of the school and community. The school has so much to be proud of by way of new equipment, sensational achievements such as the fashion show but for me, it always comes down to people and you have some wonderful students and teachers. Thank You!!’

‘The Wagin District High School provided me with an understanding of how important schools are for the community. I got a sense that the school kids had much more maturity then in city. They also had far greater passion for their school and community. I was amazed at the level of improvements in the use of technology at the school and new building built in recent times to improve the school.’

‘Our tour of the Wagin District High School had me thinking about the differences between city kids and country kids. The kids taking us around the school were enthusiastic, professional and confident and there was a definite sense of pride on show. I was really considering whether you would see those same attributes so commonly in city kids and what it was about a country upbringing that encouraged the kids to behave that way.’

‘I am thinking now that children in regional schools are given opportunities and excellent education different to what I had previously thought. The teachers who teach at these regional schools are very committed and want to teach there. The children showing us around were so polite and spoke extremely well. I was blown away.’

‘I was impressed by the children at Wagin District High School. They were articulate, polite and proud of their school. They are a credit to their families and the staff.’

‘Thank you to the school and in particular the students who showed us around the school (in the red team). The passion, enthusiasm and professionalism demonstrated by these students left me with a lasting impact.’

‘Wow what a future! These kids told a story on their own through their actions, confidence and pride.’

‘The student counsellors were amazing. The parents and teachers should be very proud of them. I wish my team members (who are 30+) showed that much composure and enthusiasm in what they did. Just brilliant!’

‘It was great to see how rightfully proud you are of your school. You are so fortunate to be country kids coming from such a supportive environment. As well as all the new facilities you have around the school, I was particularly impressed about the values “EMUS” was developing in everyone in the school. Good luck with your future hopes, dreams and aspirations, a good education is an excellent start!’

‘To all the teachers and students, I was blown away by what you have set-up at the school and how polite and well-spoken the children are. It was such a lovely school. I can’t speak highly enough of the children who gave us the tours.’

Cass Harris-Moroney
Primary News

Constable Care
Constable Care visited Wagin this morning. They presented two shows to the Primary students: Getting to School, a pedestrian, bike and road safety puppet theatre performance for the early childhood students and Screen Name, an online protective behaviours performance for students from Year 4 to 6. Class teachers will provide follow up sessions on these performances to reinforce the messages presented.

Hats
Students are required to wear hats during Physical Education and sport lessons and during recess and lunch breaks. Please ensure that your child has a hat to wear. Students who do not have a hat are required to sit in the undercover area during recess and lunch.

Lunches
If you are dropping lunches off during the day, could you please leave them at the Office and we will take them to the classes. This prevents disruptions to class activities as often students become very distracted when they are interrupted in class.

Super Readers
We have had our first student complete Twenty Five Nights of Reading for the year. Congratulations to Hayley Wilson.

Crunch & Sip
Don't forget to pack Crunch & Sip in the school bag every day.
CRUNCH:
Easy-to-eat seasonal fruit such as a small apple, a container with hulled strawberries, a mandarin or banana
OR
Vegetables such as carrot or celery sticks, cherry tomatoes or snow peas
AND SIP:
A clean, clear water bottle filled with plain water

Robyn Willey - Primary Deputy

Student of the Week
Congratulations to the following students who were nominated by their teachers and received this award in Weeks 4 & 5:

Pre-Primary - Lara Painter, Luke Brockwell & Danielle Brummelman
Year 2/3M – Zienna Atkins & Stacey Garlett
Year 4/5H – Max Howell, Rory Hamersley, Jaemeson Davidson & Renee Coles.

InTerm Swimming Stages
In Weeks 2 and 3 children completed in-term swimming lessons. Over this two week period they were taught different swimming skills and knowledge. This series was a great success with the majority of children learning new skills or improving previously acquired skills. However, unfortunately, not every child was able to pass there respective stage. In order for a child to pass a stage, swimming teachers need to see them demonstrate certain skills accurately. To gain continuity across the program, swimming teachers are given 'must see's' which the child must demonstrate in order to gain competency in that skill. For example, in Stage 3 they must be able to swim 10meters freestyle while maintaining a near horizontal body position, regular breathing pattern, effective kick, and arm recovery out of the water. Additionally, in the higher stages, while children may be able to swim 150meters, to be competent in this skill they will need to swim continuous - which means that they don't touch either end of pool or the floor at the shallow end. Likewise every skill has a set of ‘must see's’ which you do not see on the continuum certificate that is sent home. I hope this clarifies any confusion as to why your child may not have passed their respective stage.
WOOLORAMA SPECIAL JUNIOR SECTION P

Calling all junior bakers, artists, photographers, stamp collectors and general crafty types!

Did you know you could enter things in the Woolorama for FREE and win money prizes for 1\textsuperscript{st} and 2\textsuperscript{nd} places?

Go to woolorama.com.au and under the tab COMPETITIONS you will find the Show Schedule. On page 83 the lists of all the types of competitions can be found under the headings Year 2 and Under, Year 4 and Under, Year 7 and Under and Year 10 and Under. The Show Schedule booklet is also available free at the Woolorama office and at many shops around town.

Once you have decided what to enter you can fill in the entry form and take it to the Woolorama office OR just bring your items \textbf{BEFORE 9am on THURSDAY MARCH 10} to the Eric Farrow Pavillion and I will enter them for you.

Specialist judges will award prizes throughout the day on Thursday, then on Friday at Woolorama you can see how successful you have been. Prizemoney can be collected on Saturday morning.

If you have any questions I can help you on 98611393.

Jessica Hamersley. Steward Section P.
FACTION SWIMMING CARNIVAL

WHAT A SUCCESS…despite the weather. Thank you to the parents and supporters on the day, we could not do it without you. Thanks to all the fabulous staff who do so much on the day. Congratulations to all of our AMAZING students who participated wholeheartedly despite the crazy weather. I love the carnival days, and they bring a smile to my face each year. The school community support increases each year, and I hope it will continue to do so. THANK YOU THANK YOU THANK YOU!

Jodie Sercombe

Cost $20 per session or all three session for $50.
Enrolment forms are available from the school front office.

Wagin Junior Basketball Association
There will be no Basketball on Tuesday March 8th or Tuesday March 15th due to Woolorama.
We will recommence on Tuesday March 22 with a FREE Skills Clinic at 3.30pm.
All enquiries to Mr Mullin.
LONG TERM YOUTH EXCHANGE PROGRAM FOR 2017

Applications now Open and Close March 31st 2016.

12 months in a foreign country attending school with board and accommodation provided by host families is offered by Rotary International District 9465. To be eligible, students must be over 15 and less than or just turned 18 years of age at the time of departure in January 2017. It is available for all young West Australians and not just for those with a Rotary connection.

This is an education and cultural exchange and each student's principal purpose is to act as a "Youth Ambassador" for Australia. Anticipated countries of exchange may vary each exchange year but could include Germany, Hungary, Brazil, Switzerland, Denmark, Japan, France, Italy, Belgium, Sweden, Czech Republic, Mexico, Iceland, Spain.

Students gain firsthand experience of different cultures and lifestyles and the opportunity to adapt to a new environment. At the same time, they inform their host community about the Australian way of life and help build the two key of objectives of the program of better international understanding and goodwill.

Travel expenses are paid by the student's parents, an initial cost of approximately $6500, although financial assistance is available for those who meet the District criteria.

Applications close on 31 March 2016 for exchanges which will commence in January 2017. They should be submitted to your local Rotary Club closest to your home or school and must be made to one club only. Those students at boarding school can apply through their home Rotary Club. More information can be found at [http://www.rotaryyouthexchange.org.au/](http://www.rotaryyouthexchange.org.au/) or check out the District 9465 Rotary Youth Exchange Facebook page.

Applicants are strongly encouraged to participate in the involvement of family and friends to act as host families for overseas inbound students as a reciprocal arrangement.

Please contact District Secretary Linda Bilney on 0427341022 Email: yepsec9465@gmail.com for an initial application form or to answer any queries and to help with accessing your local Rotary Club. Below in Bold is a list of clubs that have exchanged students in the last 3 years. Try these first. Rotary Clubs of District 9465
