# Camp Kulin

On the 1st of March, eighteen of our newly elected student councillors and faction captains went on a leadership camp in Kulin and embarked on a new learning journey. While we were there our instructors, Tania and Maddie, assembled a range of different team building activities that taught us the values of working together in a team while focusing on something they called the three Ps of leadership. They were patience, persistence and perseverance. After we completed each activity they sat us down and talked about the key concepts we needed and referenced it into situations we might come across in the future as student leaders. Over the course of the three day camp we believe it brought us all closer together with each activity we completed. Everyone who attended the camp was able to gain new leadership skills and were taught how to deal with difficult and frustrating situations that might occur in the future.

*Amber Andrews & Sean Ward*

I learned a lot on the leadership camp. I learnt how to become a leader and to work together as a team. My favourite part of camp was quiz night, Tanya style. Before that I was a little shy of getting up in front of everyone and then everyone went up there so I decided to get up and it was a lot of fun. My favourite part of it was lip sync battle. I've watched the TV show before and I love it. Besides all the fun stuff I learnt a lot of skills in how to be a leader for our school.

*Zac Tulley*

The best thing about camp was getting to know each other better and all the different activities we did.

*Louise Quartermaine and Clare Johnson*

On the second day of the 2017 Leadership camp we went to the rec centre after dinner. Tanya was the Camp Kulin manager. When we got to the rec centre we played 4 games of capture the flag. My team won three games and I captured the flag on the last game.

*Edwina Kilpatrick*

Student Council Camp 2017 was a great experience, there was something there that everyone could enjoy. While developing leadership skills, getting to know each other and using team work we had a fun time. We played lots of new interesting and usually challenging games that required us to use perseverance, persistence, patience, strategy, communication and teamwork.

*Kezia Pederick*

From the first to the third of March the student councillors and faction captains attended Camp Kulin. We played lots of games and did lots of activities that all related somehow to being a leader. I enjoyed being able to go on the waterslide and play in the pool. I loved working with all the other leaders, learning all of the skills we needed to know. Thank you Mrs Willey and Mrs Pilkington for taking us and supervising us. I enjoyed camp a lot.

*Leila Pederick*

*And others  
don't!!*

## WOOLORAMA

Thank you to our staff and students for creating an engaging display for Woolorama. Congratulations also to the many students who entered your work and to those of you who won prizes.

## INTERSCHOOL SWIMMING CARNIVAL

Congratulations to our Interschool Swimming team, they did an excellent job representing Wagin District High School in Kojonup last Friday. Thank you to Ms Bennison, Mrs Pilkington and the many parents who travelled for your support on the day.

## WELCOME

Many of you will be aware we have had a new teacher start in the year 3/4 class; Ms Greaves joined our school on March 27. She has 'hit the ground running' and has made a great start. We look forward to working with her throughout the year.

## ISSUES, CONCERNS or COMPLIMENTS

Our vision is to provide an empowering environment for life-long learning. To ensure we achieve this it is important for teachers, students and families to work together. We will always listen and do our best to resolve any issues or address any concerns. Working together, having positive relationships and continually seeking solutions are the best way to fulfil our school vision and give your child the best opportunities. We also love hearing the positives, and very often share these with network schools, visitors to our school and our wider community.

# Digital Newsletter

Parents/Carers please be advised that, in an effort to reduce paper consumption, from Term 2 this year we will NOT be producing paper copies of the newsletter for all families, instead the newsletter will be available to view online on the school webpage. If you choose to subscribe on the webpage, an email with the newsletter link will be sent to you as a reminder on the day of publication.

Families who do not have access to the internet can request a paper copy to be printed for them at the front office.

The next and last paper copy of the newsletter will be distributed in Week 10 of this term. Why not go to our website and have a look at this week's edition in digital colour! [www.wagindhs.wa.edu.au/](http://www.wagindhs.wa.edu.au/)

## **NAPLAN** **Information for Parents**

Information brochures have been given to all students in Years 3, 5, 7 and 9. Please check school bags or contact the school office if one has not made it's way home to you. NAPLAN commences Week 3, Term 2.

## Secondary News

Congratulations to all the students who won prizes at the 2017 Woolorama. It was pleasing to see so many students enter the categories and support our community event. The secondary contributions depicting the continuity and change over 125 years of Wagin DHS was enjoyed by many local residents and visitors to our community.

We are enormously proud of our interschool swimming team. Our students represented the school valiantly and were cheered on by parents and staff. Congratulations to all the competitors for such a successful carnival.

The Secondary School will have the opportunity of hosting the riders of the Hawaiian Bike ride again this year. The bike riders will be arriving on Thursday March 23. We have organised the activities for students to be aware of the importance of having good mental health. The Hawaiian Bike Ride is the major fundraising event for Youth Focus. Youth Focus provides our school access to a counsellor for our students.

Some of the year 10 students have been completing their OLNAs assessments. Students are exempt from sitting their OLNAs if they have achieved band 8 or higher on their NAPLAN tests in year 9. There is another opportunity for students to sit their OLNAs tests in September this year, if necessary.

The safety of our students is of paramount importance to us all. We have become increasingly concerned by the number of students leaving the school grounds after school and riding their bikes and scooters dangerously on the roads and footpaths. Please ensure your child stays safe and follows the school and road safety rules.

### Wellbeing tips for primary school kids - By Dr Jodi Richardson

#### Get them outside and moving

There's so much we can do! Park further from school at drop off and pick up and increase their daily exercise at the same time; stay a while after school to let the kids play; stop at the park on the way home or head outside after bags are unpacked and have a bounce on the trampoline.

#### Create plenty of opportunities for your kids to foster positive connections with their friends, family and of course with you!

Positive social relationships not only enhance kids' wellbeing, but are key to their future wellbeing as adults as well. Time spent with friends helps our kids to develop social skills including sharing, compromise, listening and conflict resolution.

#### Keep screen time to a minimum

Kids love screens, but we're the parents and we can work with our kids to create clear and consistent limits. Kids aged 2-5 are recommended to have one hour of screen time per day and two hours a day max for 5-12 year olds.

#### Help your kids develop mindfulness skills

Mindfulness is about paying attention in the present moment, letting thoughts come and go without getting caught up in them. Sounds easy, but like any skill it takes time

# WOOLORAMA SECTION P SPECIAL JUNIOR SECTION

Thank you very much to all those students who entered Craft, Art, Stamps, Cookery, Lego, Photography, Woodwork and metalwork in this year's Woolorama. Your amazing efforts helped create the best display ever! The most outstanding exhibit was Alanah Boxall's iced birthday cake. Most points awards in age groups went to: Year 2 and under - Archie Ward, Year 4 and under Jax Moffatt, Year 7 and under Chesney Dawson and Year 10 and under - Isaac Dawson.
