

UNIFORM PURCHASE ORDER FORM

FOR

2018

School Dress

Parents are requested to send their children to school in uniform. Our dress code has been developed with input from parents, students and staff.

The wearing of a uniform assists in the development of children's pride in their school, gives them a sense of belonging and adds to the tone of the school. It should be worn at all times.

The school would appreciate parental encouragement of our dress code and asks that parents closely supervise their children's standard of appearance.

School uniforms are available for purchase through the school Uniform Coordinator. To assist with ordering school uniforms a sizing range will be available at school for parents who are unsure what size their children are. Students will be able to try on different sizes to ensure the correct size is ordered. This service will be available on Friday from 8.30am – 10.30am. Orders can be given to the front office in a clearly labelled sealed envelope containing the order and correct money.

Physical Education / Sports

When students participate in sport of physical education they should wear a faction/house coloured shirt with navy skirt or shorts.

School Uniform Ordering Process

Dear parents,

Please use the following process to order uniforms.

- Fill in each students details on the Order Form
- Calculate cost and write the amount on the Order Form
- Include your money in a sealed envelope (or if paying by direct debit, attach a copy of the receipt)
- Staple an envelope to your Uniform Order form or fold the form and seal it in an envelope with your money
- Send into the school office
- Make sure your name is clearly written on the Order Form and envelope
- The order will be returned to the school
- The Uniform Coordinator will distribute the uniforms to the parents via each student

With thanks

Uniform Coordinator
