

WAGIN DISTRICT HIGH SCHOOL

Providing an empowering environment for life-long learning

Newsletter, 15 February 2023

Dear parents, carers and community

The first two weeks of school have gone very smoothly for staff and students, and I thank parents for their contribution to preparing their children for the school year. It is wonderful to see the students renewing friendships, welcoming new staff and classmates, settling into daily routines and participating in learning activities.

I extend a special welcome to new staff, students and their families to our school community, as well as our brand-new Kindergarten Class of 2023. If you see these new students, staff or their parents around the school, please help us make them welcome. We look forward to working together to achieve wonderful outcomes for your children at Wagin District High School.

Our teaching staff hosted Parent Teacher Meetings last week and we thank those parents who attended. For those unable to make the meeting, term outlines have been sent home and we encourage you to contact the Classroom Teacher should you have any queries.

One of the important roles you can become involved with our school is through the P&C or School Council. Both play an important role in supporting the school and its direction. Our School Council contributes to good school governance and our parent and community representatives are essential members as representatives of the parent body and wider community. We will be electing a new parent member for 2023 to join our School Council and encourage parents to nominate for this position. Parents who are elected to the council, have a three-year term and meetings are held 4-5 times per year. We are also seeking applications from community representatives. Please contact the office staff who will forward a brief nomination form to you. Nominations will close on Monday 20 February at 4pm with elections to follow.

I look forward to seeing many of you at the Swimming Carnival tomorrow. We are still short a couple of timers so if you are able to volunteer some time, please see Leah Kellow in the morning.

Kind regards
Amber Ward
Principal
