

LEARNING FROM HOME

YEARS 7 - 10

Learning from home is a challenge, but an excellent opportunity to develop good independent study habits.

Stay Connected

Check Connect and your school email regularly and plan ahead. Your teachers will contact you regularly and are available if you need them via email or by contacting the school on 9861 3200 (Mon-Fri).

Plan Your Day

Try to stick to a study routine. Read, complete set tasks, write study notes, review your work or plan for an upcoming task

Your Health

Make sure you are eating healthy, staying hydrated, exercising and keeping a regular bedtime.

Need Help?

IT issues: wagin.dhs@education.wa.edu.au

Classroom Questions: Class or Specialist

Wellbeing Concerns: Class Teacher or Chaplain

jillian.pilkington2@education.wa.edu.au

How should I set up my space?

Study Space: Set up your space as if you are at school.

Connection: Make sure your device is charged and connected to WiFi. Check Connect, or Email. Don't stress if you don't have a computer.

Tools: Have everything you need nearby - pencil case, notebooks, school resources.

Returning Work: Submit completed work via Connect or email your work to your teacher if you can. If not, put your work back in the folder and drop it into the Brenda O'Neill Courtyard if you collect your next package.

Remember to be respectful and follow the school's protocols and policies when learning online.
