

LEARNING FROM HOME

PRIMARY SCHOOL

Learning from home is an opportunity to try new things and show your independence.

Stay Connected

Check Connect, Website and emails regularly.

Remember your teachers are available if you need them. Teachers will phone or email regularly.

Plan Your Day

Read and complete the tasks that your teacher has set for the day. Don't try to do more than you need.

Your Health

Make sure you are eating healthy, staying hydrated, exercising and keeping a regular bedtime.

How should I set up my space?

Study Space: Set up your space as if you are at School.

Connection: Make sure your device is charged and connected to WiFi. Check Connect, Seesaw (if applicable) or Email. Don't stress if you don't have a computer.

Tools: Have everything you need nearby - pencil case, notebooks, school resources.

Returning Work: Submit completed work via Connect or email if you can. If not, put your work back in the folder and bring it back with you when school reopens.

Remember to be respectful and follow the school's protocols and policies when learning online.

Need Help?

IT issues: wagin.dhs@education.wa.edu.au

Classroom Questions: Class or Specialist

Wellbeing Concerns: Class Teacher or Chaplain
